# Powerful Passwords

twinkl

Use the clues below to create a strong password for each of your online accounts.

Remember to include: lower-case letters (abc), upper-case letters (ABC), numbers (123), punctuation marks (! ?) and symbols (# @ & £ $).

**Example**
Clue: The enormous turnip grew too big!
Password: tETg2B!

1. Clue: Snow White and the Seven Dwarfs were mates.

Password: _____

2. Clue: Goldilocks ate the Three Bears' food.

Password: _____

3. Clue: The Three Billy Goats Gruff loved to eat grass.

Password: _____

Now memorise your passwords and practise using the clues to help you remember them.

Then fold your booklet to hide the left page, or cover the left page with a book.

See if you can write your passwords without looking.

Next, check to see if you were right. Practise again if you need to.
