Thursday 21<sup>st</sup> January

Dear Parents,

This year Raising Aspirations week will be held in school from Monday February 8th to Friday 12th February. The purpose of this week is for us to encourage the children to consider how the skills we learn in school can be used in their future lives. We hope to encourage the children to consider their ambitions for the future to raise their aspirations.

On Tuesday 9th February, we would like to hold a "Bring Your Parents to School Day!" The aim of this day is for parents to have the opportunity to come into school to share their experiences in their job with their child's class teacher. You will have a 15/20minute session with your child's class to talk to them or lead an activity with them about your job. Your presentation or activity should include what qualifications and skills you needed, to be successful in your career.

Please contact your child's class teacher before Friday 5th February, via their home-link book, to arrange a time etc. for your visit. We would be extremely grateful for your support in this event.

On Friday 12th February at 2pm, we will be holding our annual Raising Aspirations Fair in the school hall. Classes will have formed enterprise companies and set up stands to sell products to you! As with the Christmas Fair, you are welcome to collect your child from class, from 2pm, to purchase goods from the fair. The children look forward to your support. All monies raised will go towards school fund.

Thank you in anticipation of your support for Raising Aspirations week.

Yours sincerely,

*Ben Moody*
