Moder from Gos 'Smart' Watches         Please note that, although we encourage children to wear a 'smart' watch, or any watch that has the same functionality as a mobile phone or PC, on the school site.         The functions of a Smart watch mean that weares of the watch can access the internet and send messages. The safety of all children in school is vitally important and so our decision to not allow Smart Watches in school is based on our ongoing Safeguarding procedures.
