

Newport CE Junior School

Uniform Policy

Adopted by Governors February 2018

Aims

Our policy on school uniform is based on the aims that uniform:

- Promotes a sense of pride in the school.
- Engenders community and a sense of belonging in school.
- Is practical and smart.
- Identifies children with our school.
- Is designed with health and safety in mind.
- Is regarded as suitable wear for school and good value for money by most.

The Role of the Governors

The Governing body are ultimately responsible for this policy and expect the Head teacher and school staff to implement it. If there are serious reasons, for example religious grounds, why parents may want their child to wear clothes that differ from school uniform, the school will look sympathetically at such requests. It is the Governors responsibility to ensure that the school uniform meets equal opportunity guidance. If parents or carers have any concerns they should firstly approach the Head teacher.

Monitoring this Policy

School staff will work with the School Council to praise children who take pride in their uniform. If, for an unavoidable reason, a child cannot comply with the policy a home link message should be sent to the class teacher to explain and give detail about when it is anticipated the child can be back in uniform. If there has been no communication from a parent or carer, children who do not comply with this policy, will in the first instance be given a verbal reminder and in a second instance a letter will be sent home.
