

## Anti-Bullying Week 12<sup>th</sup>- 16<sup>th</sup> November

Dear Parents / Carers,

We will be holding our **Diversity Day** on **Monday 12<sup>th</sup> November**. It is the first day of **Anti-Bullying Week**. The aim of the day is to raise the importance of celebrating diversity in our school family, in our community and in our country.

The Children's Safeguarding Group called The Guardians of Safety have discussed the importance of diversity and they believe that everyone from different backgrounds, cultures, religions should be treated the same for their individual identity.

We believe that everyone should be treated with respect and this is reflected in our core British Value of Tolerance.

**Diversity Day** is the beginning of national **Anti-Bullying Week** (12<sup>th</sup> - 16<sup>th</sup> November) and will use fun activities to engage the children in helping to learn this important message.

To represent this diversity we would like the children to wear a brightly coloured t-shirt of any colour! (Preferably a plain coloured t-shirt in red, yellow, blue, green, orange, pink or purple)

In school we will create a rainbow of colours to reflect everyone's difference, coming together and working together.

This is not a mufti day and there will be no charge.

Children can wear their normal uniform with a bright coloured t-shirt underneath.

Thank you for your support,

Mr Rotherham & The Guardians of Safety
