

## N.J.S' Greatest Sew!

Ladies and gents, this is the harvest you've waited for (woah)  
Been working in the dark, your sweat soaking through the floor (woah)  
And burying your seeds there's more crops than before...  
Taking your breath, with wheat to grind  
and all that is good is left behind!

Don't fight it, it's growing for you, running atcha,  
It's ready this moment, don't forget your tractor,  
Your fields dream, can't you see it's ripe all over.  
Just surrender 'cause potato peeling's taking over.

It's life, from land and from the ocean,  
Far-mer set your, combine in motion,  
*There's something growing, sell it at every mall, it's hailed from  
all that you sew.*

So tell me do you wanna grow?  
Fields are filled with corn and rice,  
Where the runner-beans are growing just right  
Impossible comes true, new shoots are coming through,  
Oh, this is the greatest sew  
We plant it in, the rain comes down  
And the sun shines on us now  
Watching it come true, sharing it with you  
Oh, this is the greatest sew!

Colossal plants from seeds planted in the spring, (woah)  
Where we dig up crops, which is known as harvesting.  
Don't fight it, it's growing for you, running atcha,  
It's ready this moment, don't forget your tractor,  
It's blinding, outshining anything that you mow,  
Just surrender 'cause you're farming and you wanna grow!

Fields filled with corn and rice,  
Where the runner-beans are growing just right,  
Impossible comes true, new shoots are coming through,  
This is the greatest sew!

We plant it in, the rain comes down,  
And the sun shines on us now,  
Watching it come true, sharing it with you  
Oh, this is the greatest sew!

It's everything you ever want,  
It's everything you ever need,  
And the harvest is in front of you,  
This is where you get your beans!

It's everything you ever want,  
It's everything you ever need,  
And the harvest is in front of you,  
This is where you get your peas!  
**This is where you get your peas!**

Fields brighter than the coloured lights,  
Where the runner-beans are growing just right,  
Impossible comes true, new shoots are coming through,  
Oh, this is the greatest sew!

#### Musical interlude

We plant it in, the rain comes down,  
And the sun shines on us now,  
Watching it come true, sharing it with you,  
Oh, this is the greatest sew!

Fields brighter than the coloured lights,  
Where the runner-beans are growing just right,  
Impossible comes true, new shoots are coming through,  
Oh, this is the greatest sew!

We plant it in, the rain comes down,  
And the sun shines on us now,  
Watching it come true, sharing it with you,  
Oh, this is the greatest sew!

'Cause everything you want is right in front of you,  
And you see the impossible is coming true,  
And **the slugs can't stop us now**, yeah

This is the greatest sew (oh!)

This is the greatest sew (oh!)

This is the greatest sew (oh!)

This is the greatest sew (oh!)

This is the greatest sew (oh!)
