

English

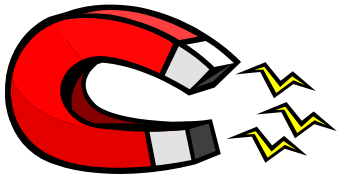

Children will learn how to write character and setting descriptions. They will write letters and reports in preparation based on 'The Lion Boy'. They will be stowing away on a circus ship from London to Paris whilst reading 'The Lion Boy'.

Maths

Children will develop skills in all four number operations, work on shape, measuring and data handling. Children will develop skills in reasoning and problem solving.

Science

- Light and Shadows
- Sound

Computing

- Understanding computer networks through the theme of Roald Dahl
- Using algorithms to produce instructions for a robot

History

Children will learn about how world has changed in different places around the world.

PSHE

- The work of Parliament
- What are Human Rights?
- What is democracy?

Beliefs and Values

- Creation
- Adam and Eve

PE

Games- (Invasion games- Tag Rugby, netball)
Swimming- 1st half term only

Dance- combining sections of a dance/use facial expression and perform with a prop.

Gymnastics- body management, jumps, leaps and improve flexibility.

Art

- Journeys: This unit will look at how we can use art to document our travels.

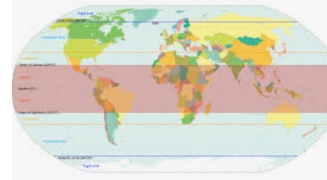

Term: Autumn 2019 Yr4

All Around The World!

Topic Overview-

The children will be taking a trip around the world and specifically looking into the tropical and polar regions. They will find different uses in each country and compare weather.

They will be learning new map reading skills including longitude and latitude.

Global Links

- ◆ Globalisation- Where does our food come from? How can we eat foods out of season?
- ◆ Global Warming

Geography

- Learn about weather and climate around the world- Especially Polar and Tropical regions.
- The children will be reading longitude and latitude to be able to pinpoint specific locations.
- Engage in field study collecting and data handling weather recordings.
- Compare differences between climate there and at home.
- How does the climate effect the people who go there?

Music

- Children will learn to read rhythms and pitches through graphic notation and traditional written notes to perform and compose their own music.

MFL- French

- Weather
- Feelings
- Numbers

Design and Technology

Design and make a sleeping bag to survive a night in a Polar climate.
