

Do you have a degree?

Have you thought about Training to Teach?

Teacher starting salaries due to increase to £30,000 in 2022—now could be the right time for you!

The Severn Teaching School Alliance is based in Telford and can offer Primary (4-11) and Early Years (3-7) Initial Teacher Training via the School Direct route, a one year course with placements and training all taking place right here in Telford. We can also offer special school placements.

Want to find out more? Come along to one of our school based information sessions to hear about our courses—we will cover everything you need to know including what qualifications you need, how much experience you should have, how you might pay for the course and what financial support is available to you whilst training.
