# Wednesday's English for Year 4

This week we will be focusing on persuasive language and using it in a variety of texts.

After watching the Street Party Video yesterday you may be surprised to find out there was a very famous guest to the one in London: <https://www.youtube.com/watch?v=nrApWTjA0dQ>

Over the next two days you are going to take on the role of the Queen 75 years ago. You will write a letter to your Father who is the King persuading him to let you attend the Street Party in London.

**\***

**Today is all about Planning the letter.**

**This would have been a once in a lifetime opportunity for the Queen so she would have been incredibly persuasive!**

**Write a list of reasons why you want to go the Street Party and why the King should let you attend. Try and justify these with a conjunction – because, so, although, however...**

***Alternatively there are some planning templates attached, you don't need to print these you could just copy the headings. Choose a way to plan which suits you!***

**Today is all about Planning the letter.**

**This would have been a once in a lifetime opportunity for the Queen so she would have been incredibly persuasive!**

**Write a list of reasons why the King should let you attend the party. Then write a list of reasons why he shouldn't – turn these negatives into positives! Find a way of changing these into a good reasons. You will expand these ideas in your paragraphs tomorrow.**

# Today's other activity:

Music really helped lift people's moods during the war. On VE day in 1945 people danced to the Can Can and the Conga through their streets jubilantly.

Research the lyrics and listen on Youtube to some of the wartime songs. Here are the titles for some of them:

It's a long way to Tippirary  
Going To Hang Out The Washing  
Leaning on the Lamp Post  
Run rabbit  
Until we meet again

Can you find anymore? Who are the famous singers during the time?
