Easter Joke Multiplication Code Breaker

To find the punch line to the Easter joke, work out the calculation for each question. Next, use the grid to find the letter that corresponds with each answer and write it in the egg. Then crack the code. The first one has been done for you.

Question: Why do you never see dinosaurs at Easter?

| 8. $8 \times 2 =$ | ___ | ○ | 16. $3 \times 6 =$ | ___ | ○ |

Answer	16	42	27	28	56	18	32	30	24	72	63
Letter	E	S	N	Y	A	T	I	G	R	H	C

Answer:

_____ - _____ !

English

You are going to finish your story off today. Think of an imaginative way to bring it to an end. Please try to avoid your characters all going home for tea!! We've talked about this being clichéd.

Look at your writing targets to see if you've missed anything and use your plan you developed on Monday to remind you of what you have decided.

PHSE

Make a poster explaining how we can look after ourselves while at home and also what we should think about doing for others (for example sharing a smile, shopping) while the Coronavirus outbreak continues.
