

Year 5 Home Learning

Date Thursday 14th May

Maths

- Continue with the previous area sheet.
- In January, when we first introduced area and perimeter in year 5, we looked at creating a Newport Junior Zoo.
- Try using your knowledge of area on this online game building animal enclosures.

<https://mrnussbaum.com/zoo-designer-online-game>

- Use the factors of the required size to give suggested sizes.

English

CONTINUATION OF YESTERDAY'S WORK.

Other/Extra: Music

TODAY AND TOMORROW'S WORK

For the next few days, your foundation subject home learning will be music.

The theme is **'Stories Through Song.'** The two pieces of music we will listen to are meant to describe something. There is information for you to read and creative challenges to complete.

Today and tomorrow your music activities are based on this clip:

Peter and the Wolf
By Sergei Prokofiev.

<https://www.youtube.com/watch?v=MfM7Y9Pcdzw>

Listen to this musical telling of the story and on the next slide there are some creative challenges.

(You could choose to just listen to it today and do the activities tomorrow.)

This is **Peter & The Wolf** which is a very famous story. The music was written by **Sergei Prokofiev** and tells Peter's story.

These challenges will take a bit longer because the story takes about 30 minutes to tell.

Peter and the Wolf
By Sergei Prokofiev.

1. Match the instrument to the animal/object at the bottom of the page.
2. Can you draw a storyboard for Peter & The Wolf?

Friends/Family Challenge: Someone you live with could follow your storyboard while they listen to the piece of music!

Flute

Clarinet

Peter

Grandfather

Bassoon

Bass Drum

Bird

Cat

Oboe

French Horns

Wolf

Duck

Strings

Rifle
