

# Home Study Learning,

This page of links and ideas is to support you during this time when we are having to stay at home.

Additional to these ideas there will always be regular reading, the homework set by teachers and the use of **Times Table Rockstars** to keep you busy.

If we close teachers will also be posting daily tasks on the website to help you focus on your learning while at home.

Useful websites for online learning activities:

Year 3, 4, 5, 6 Resource Packs from Twinkl-

KS 2 Home Learning Pack

<https://www.tts-group.co.uk/home+learning+activities.html>

E-Learning for Kids

<https://en.e-learningforkids.org/math/>

Don't forget the learning opportunities that can come from simple activities such as;

- Cooking and baking
- Playing board games
- Dominoes
- Drawing and painting
- Sudoku, crosswords and wordsearches
- Jigsaw puzzles
- Construction kits, lego and model making
- Growing flowers or vegetables- keeping a plant diary
- Keep a scrap book
- A garden bird watch

Children have access to e-books through :

<https://shropshiresls.wheelers.co/>

Username and password is in children's HomeLink Book.

Please look on the website for further learning activity ideas and updates from teachers!

# Thursday's Maths for Year 4

This week we will be focusing on Perimeter.

The **perimeter** is the distance all the way around the **outside** of a 2D shape.

To work out the perimeter, add up the lengths of all the sides.

1\*

Please see the attached challenge sheet.

You are going to start to design your Zoo or Farm, this can be drawn out with a ruler in your Maths book.

2\*\*

Please see the attached challenge sheet.

# Thursday's English for Year 4

What you are experiencing will be a key part of history in years to come. Your children and even grandchildren will learn about what life was like for us. Everyone will have a unique story to tell. I would like you to create a keepsake for the future. You can choose to present this in a way suitable to you. This could be in your book, as a powerpoint, making a booklet or maybe as a leaflet, you might want to video yourself talking about it (after or before you write it up). I would like you to begin today, continue tomorrow and it may take you through the Half Term to complete. (There will be 6 headings in total) I can't wait to see your Lockdown Life keepsakes!

**\***

**It may be useful for you to video or audio record what you would like to say before you write it down.**

**I would like you to use the headings in the 2/3\*\*\* box to draw what they mean to you and write some key words and sentences to label them.**

**\*\* and \*\*\***

**Use the following headings to describe your very own Lockdown Life:**

- ***What I thought and felt at the beginning of the lockdown***
- ***What I have enjoyed doing during the lockdown***
- ***What I will miss about the lockdown***

# Today's other activity:

*Our Summer topic is Rivers. I would like you to complete the work sheet attached about the uses of rivers.*

*You can copy the table out into your book or you can write an explanation/bullet points under each use in your book.*

*Don't worry if you can't answer some of the questions and there is a 1, 2 or 3 star option. ☺*
