

Home Study Learning,

This page of links and ideas is to support you during this time when we are having to stay at home.

Additional to these ideas there will always be regular reading, the homework set by teachers and the use of **Times Table Rockstars** to keep you busy.

If we close teachers will also be posting daily tasks on the website to help you focus on your learning while at home.

Useful websites for online learning activities:

Year 3, 4, 5, 6 Resource Packs from Twinkl-

E-Learning for Kids

<https://en.e-learningforkids.org/math/>

Don't forget the learning opportunities that can come from simple activities such as;

- Cooking and baking
- Playing board games
- Dominoes
- Drawing and painting
- Sudoku, crosswords and wordsearches
- Jigsaw puzzles
- Construction kits, lego and model making
- Growing flowers or vegetables- keeping a plant diary
- Keep a scrap book
- A garden bird watch

Children have access to e-books through :

<https://shropshiresls.wheelers.co/>

Username and password is in children's HomeLink Book.

Please look on the website for further learning activity ideas and updates from teachers!

Wednesday's Maths for Year 4

This week we will be focusing on Perimeter.

The **perimeter** is the distance all the way around the **outside** of a 2D shape.

To work out the perimeter, add up the lengths of all the sides.

1*

Please complete attached sheet in your Maths Book.

2**

Please see the attached sheet of work. This can be completed in your Maths Book.

3***

Please see the attached sheet of work. This can be completed in your Maths Book.

Wednesday's English for Year 4

After the last two days looking at different uses of apostrophes we are now going at using an apostrophe to show plural possession, so something which belongs to more than one person/thing. See the poster attached.

Please find the activity sheets attached. These can be written in your book in a table or you can draw the picture and write the words with each picture.

After you have organised these use 3 of the plural (more than one) words in sentences.

**** and *****

Complete the 2 or 3 star sheet attached in your book. Writing in full sentences then complete the extension activity in your book.

Today's other activity:

ALL:

Research what does Permeable and Impermeable mean?

If you did the did the Science experiment I would like you to write you your results using the scientific terms above. Were any of your rocks impermeable, which was the most permeable? You can draw pictures or tables to show this or write in an explanation.

If you didn't do the investigation I would like you to think of 3 items in your house and predict if they are permeable. Some could include towel, plates etc. Remember to give reasons to justify your thoughts.
