

Monday 3 Star Maths

This week you are going to calculate some perimeters. Later in the week you will be using this knowledge and skills to design your own zoo or farm!

Today I would like you to investigate how many different rectangles you can draw with a perimeter of 20cm?

Use a ruler to draw these in your book.

Then... can you answer this:

Tom says,

You only need to know the length of one side of these 2D shapes to work out the perimeter.

Do you agree with Tom? Explain your answer.
