

Newport CE Junior School

Vision and Values

We aspire to ensure that our inclusive, welcoming and loving church school gives children and adults the opportunity to reach their full potential, so that through God's love they can make a difference to the World around them.

LEARNING TO MAKE A DIFFERENCE THROUGH GOD'S LOVE.

*Jesus said, 'Love one another as
I have loved you' John 13:34*

Our learning tree roots work like 'Ready Eddy' at Newport Infant School. These are our school values, which we often call the 3 c's. We promote these values throughout our school day.

It might be useful for your children to think about these words and how they can use them!

We want to secure the very best future for the children at Newport CE Junior School. We will do this through our mission:

- **Ensure that children are safe and demonstrate compassion for others.**
- **The school and its community work together to promote mental health and wellbeing and ensure that everyone feels respected.**
- **Unify the school family enabling it to flourish through collective worship, inclusive extra curricular provision and a broad, balanced curriculum.**
 - **Encourage inclusively high expectations enabling children to personally and academically thrive.**
- **Deliver an inspirational, creative curriculum to meet the needs of our aspirational children.**
 - **Ensure that children and adults acquire and apply knowledge that gives them the courage to fulfil their aspirations.**
- **Create an environment that builds confidence for the school family to grow resilience.**
- **Enable children to persevere on a journey of social, moral, cultural and spiritual growth.**
