PERMISSIONS FOR INTERNET ACCESS

Devices in school access the internet through the Telford and Wrekin network which connects schools to the internet and local intranet. Access to the internet allows the children to explore educational sites and to potentially exchange messages with other users.

Schools and the teachers do all they can to guide pupils towards appropriate material but also parents and carers are responsible for setting and conveying the standards that their children should follow when using internet sources.

I am happy for my child to access the internet at Newport CE Junior School.
