

Home Study Learning,

This page of links and ideas is to support you during this time when we are having to stay at home.

Additional to these ideas there will always be regular reading, the homework set by teachers and the use of **Times Table Rockstars** to keep you busy.

If we close teachers will also be posting daily tasks on the website to help you focus on your learning while at home.

Useful websites for online learning activities:

Year 3, 4, 5, 6 Resource Packs from Twinkl-

E-Learning for Kids

<https://en.e-learningforkids.org/math/>

Don't forget the learning opportunities that can come from simple activities such as;

- Cooking and baking
- Playing board games
- Dominoes
- Drawing and painting
- Sudoku, crosswords and wordsearches
- Jigsaw puzzles
- Construction kits, lego and model making
- Growing flowers or vegetables- keeping a plant diary
- Keep a scrap book
- A garden bird watch

Children have access to e-books through :

<https://shropshiresls.wheelers.co/>

Username and password is in children's HomeLink Book.

Please look on the website for further learning activity ideas and updates from teachers!

Monday's Maths for Year 4

This week we will be focusing on Problem Solving with Addition and Subtraction.

You can look at the calculation policy for more help:

<https://newportjuniorschool.org.uk/home/key-info/policies/>

1*

Please see attached investigation.
Complete in your maths books.

2**

Please see the attached investigation. You can complete this using 3 blocks of Lego or pieces of pasta, whatever you can get your hands on! (Rather than beads)

To save printing out, create this table in your book:

Hundreds (H)	Tens (T)	Units (U)

As you make a number, write it in your book.

Parents: Answers are attached!

3***

Please complete the attached problems in your book.

Monday's English for Year 4

This week we will be focusing on Playscripts.

Have a look at the attached play scripts. Read them out? Can you make up different voices/actions for each part?

Look at the poster of the features attached can you find examples of each feature.

Can you point or find the features in your Playscript?

Were there any features you weren't sure what they are? Don't worry as tomorrow we will be looking at all features of a Playscript.

**** and *****

Have a look at the attached play scripts. Read them out? Can you make up different voices/actions for each part?

Look at the poster of the features attached can you find examples of each feature.

Write the examples like below:

Stage Directions – (Whines David)

Were there any features you weren't sure what they are? Don't worry as tomorrow we will be looking at all features of a Playscript in a bit more detail.

Today's other activity:

You may have played scrabble before but for those of you who haven't Scrabble is a word game. The idea is to create a word that has the most value. Each letter is worth a certain amount of points and to know the value of your word you just add up all the points on each of the letters.

Your challenge today is to find items in your home with the most points. You could look in the fridge, your bedroom, the garden. If you think you have made a really high valued word, make sure you check the spelling... Then challenge someone else in your house!

(Top Tip: it isn't always the longest word has the highest value!)

A ₁	B ₃	E ₁	F ₄	I ₁	J ₈
C ₃	D ₂	G ₂	H ₄	K ₅	L ₁
M ₃	N ₁	Q ₁₀	R ₁	U ₁	V ₄
O ₁	P ₃	S ₁	T ₁	W ₄	X ₈
Y ₄	Z ₁₀
