

Home Study Learning,

This page of links and ideas is to support you during this time when we are having to stay at home.

Additional to these ideas there will always be regular reading, the homework set by teachers and the use of **Times Table Rockstars** to keep you busy.

If we close teachers will also be posting daily tasks on the website to help you focus on your learning while at home.

Useful websites for online learning activities:

Year 3, 4, 5, 6 Resource Packs from Twinkl-

E-Learning for Kids

<https://en.e-learningforkids.org/math/>

Don't forget the learning opportunities that can come from simple activities such as;

- Cooking and baking
- Playing board games
- Dominoes
- Drawing and painting
- Sudoku, crosswords and wordsearches
- Jigsaw puzzles
- Construction kits, lego and model making
- Growing flowers or vegetables- keeping a plant diary
- Keep a scrap book
- A garden bird watch

Children have access to e-books through :

<https://shropshiresls.wheelers.co/>

Username and password is in children's HomeLink Book.

Please look on the website for further learning activity ideas and updates from teachers!

Tuesday's Maths for Year 4

This week we will be focusing on Problem Solving with Addition and Subtraction.

You can look at the calculation policy for more help:

<https://newportjuniorschool.org.uk/home/key-info/policies/>

1*

Please see the attached investigation. You can complete this using 3 blocks of Lego or pieces of pasta, whatever you can get your hands on! (Rather than beads)

To save printing out, create this table in your book:

Hundreds (H)	Tens (T)	Units (U)

As you make a number, write it in your book.

2**

Please see attached investigation. Complete in your maths books.

3***

There is a Maths investigation attached. This may take you two days to complete as it is quite long. This is the Maths for today and tomorrow so take your time!

Tuesday's English for Year 4

This week we will be focusing on Play Scripts.

Look at the Powerpoint attached explaining each feature of a Play Script. Were there any you didn't know?

Attached is a script of Jack and Jill. Some parts (in red) are missing can you fill them in?

Below is an example of how you could set it out in your book:

Stage Direction 1

(Jack and Jill puffed and panted walking up the steep hill)

**** and *****

Look at the Powerpoint attached explaining each feature of a Play Script. Were there any you didn't know?

Write a mini playscript for a nursery rhyme you know – Grand Old Duke of York/Humpty Dumpty.

Ext: Act it out and edit to improve.

Remember to include all the features.

Today's other activity:

Today I would like you to think of an 'Alternative Sports Day!'

This is a P.E Task so you need to test it out as well. 😊!

Be creative as you like... you can create an obstacle course and time yourself to complete - what is your best time?

You could have races with siblings (or your parents (haha!)). You could do just races on your own and get your PB (Personal Best) time.

Write a plan of what you are going to do or what you did afterwards.

Don't forget if you have other competitors or spectators to provide them with a cool refreshment!

PLEASE NOTE: I planned this before Mr Moody launched

The NJS Virtual Sports' Day, so if you want to do your races for that instead that is Absolutely fine!
