

Home Study Learning,

This page of links and ideas is to support you during this time when we are having to stay at home.

Additional to these ideas there will always be regular reading, the homework set by teachers and the use of **Times Table Rockstars** to keep you busy.

If we close teachers will also be posting daily tasks on the website to help you focus on your learning while at home.

Useful websites for online learning activities:

Year 3, 4, 5, 6 Resource Packs from Twinkl-

E-Learning for Kids

<https://en.e-learningforkids.org/math/>

Don't forget the learning opportunities that can come from simple activities such as;

- Cooking and baking
- Playing board games
- Dominoes
- Drawing and painting
- Sudoku, crosswords and wordsearches
- Jigsaw puzzles
- Construction kits, lego and model making
- Growing flowers or vegetables- keeping a plant diary
- Keep a scrap book
- A garden bird watch

Children have access to e-books through :

<https://shropshiresls.wheelers.co/>

Username and password is in children's HomeLink Book.

Please look on the website for further learning activity ideas and updates from teachers!

Wednesday's Maths for Year 4

This week we will be focusing on Problem Solving with Addition and Subtraction.

You can look at the calculation policy for more help:

<https://newportjuniorschool.org.uk/home/key-info/policies/>

1*

Please see the attached investigation. You can complete this using 3 blocks of Lego or pieces of pasta, whatever you can get your hands on! (Rather than beads)

To save printing out, create this table in your book:

Hundreds (H)	Tens (T)	Units (U)

As you make a number, write it in your book.

2**

Please see attached investigation. Complete in your maths books.

3***

Please complete the Maths investigation you started.

If you still have time complete the word problem below:

1,235 people go on a school trip. There are 1,179 children and 27 teachers.

The rest are parents.

How many parents are there?

Explain your method.

Wednesday's English for Year 4

This week we will be focusing on Play Scripts

Over the next two days you will write a play script based on your diary entry from last week. Read through your Diary entry and put a little star or circle in the margin to show where a new scenes could begin.

Using the writing frame attached begin to write a playscript based on your diary entry you wrote last week.

Today you will write Scene 1. Tomorrow, Scene 2 so remember to just focus on the events in the first part of your diary entry.

Using the writing frame attached begin to write a playscript based on your diary entry you wrote last week. You need to split it into more than 1 scene. Begin writing today using the writing frame attached.

Begin to turn your diary entry into a play script. Use the checklist attached as a guide and to make sure you have used all features accurately.

Today's other activity:

Today's activity is linked to Music. There is a sheet attached which has 3 Tasks plus the chance to create a fact sheet on a composer.

I would suggest to do Task 1 and Task 2 today, followed by Task 3 tomorrow. If you really enjoy this or have more time complete the Fact Sheet on the Composer as well!
