Monday Maths 2 Star

Complete the table using the information in the bar chart.

How Y4 travel to school
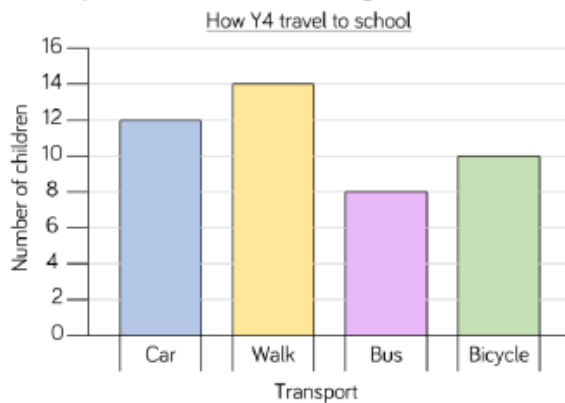

Transport	Number of children
Car	
Walk	
Bus	
Bicycle	

What is the most/least popular way to get to school?
How many children walk to school?

1. Using the graph draw out the table and complete.
2. Answer the 2 questions above
3. What is the scale used for this bar chart?
4. How many children did they ask in total?
5. Write 2 more statements about the data in this bar chart

To prepare for Wednesday's lesson if you go on any walks take a notebook and write a tally of how many rainbows you spot along the way. Group these in the streets they appear. Use my example table to make your own or print it out!
