# Other/Extra: Geography:

Over the course of this half term we would like your child to undertake their own research based on 'Geography'. Work produced will be collected and presented in their portfolio book or on paper or as a poster/leaflet etc. Children should aim to try and complete an activity each day (This week Thursday and Friday – following weeks Wednesday/Thursday/Friday – due to reading the first two days!)

Children should try to vary what they do (so not making a model every week).

If your child needs to use the computer for their research, try one of the child friendly search engines listed below.
