Year 5 Home Learning

Date: Friday 3rd July

Maths

1) Here are the ages of two children:

Magda

Henry

2) Here are the durations of four different films

Clowning Around	Dance School	Super Sonic	Ghost House			
1 hour and 33 minutes	90 minutes	1 ³ / ₄ hours	1 hour and 40 minutes			

a) Noah finds the total running time of all four films by converting all the times to minutes and using column addition.

Is Noah correct or incorrect? Explain your answer.

		9	3	
		9	0	
	1	4	5	
+	1	0	0	
	4	2	8	minutes
	2			

b) Write two true statements and one false statement about the durations of the films. Can your partner identify the incorrect statement?

How many time related words can you spot in this word search??

English

Continuation of yesterday's writing.

Other: Music

Introduction:

Today's lesson is all about Latin instruments. What they sound like, how they're played and trying to find them in pieces of music.

Most of the instruments in latin music are the same as in a lot of pop music but there are a couple of extra instruments as well.

Creative Challenge

Can you make an instruments poster of the instruments that you have seen this week? Put it into strings, brass, woodwind and percussion.

Feel free to email your maps in to: jack@theartscentretelford.com (and of course your teachers, as always!)

Horn Section
