

Maths- Emoji code breaking

Using either mental or the column addition method, can you solve the questions shown using some well known emoji's.

Copy the questions into your book and work out the answer.

You can use the answers supplied to check your work.

English- Free Write Friday

Take some time to produce some creative writing. You will not be judged on your spelling, handwriting or even if it makes sense. Write anything you like, from lists to poems, or use the ideas supplied on the sheet.

Please complete in your home learning book or a personal notebook you have.

Year 5 Home learning

Reading- Alien Isle Chapter 1

Today's reading is a live lesson with your teacher at 11am. They will be reading the first chapter of our new Fiction express book; Alien Isle. We will be discussing predictions based on the front cover and delving into the start of the book. There will be opportunities for children to read off the screen.

If you are unable to attend the live lesson, the chapter will be released on Monday 11th January via email.

Foundation- PE- Yes captain game

Supplied is a game to be played with the whole family. It will help you get active and can encourage the rest of your family to get involved!

One person will call out a command, the rest of their 'crew' will need to match the correct response.
