

Maths

Today we are revisiting factors and learning how to identify common factors, which is very important for our future fraction work. Join me to remind ourselves of factors and identify common factors in a variety of ways.

LIVE LESSON

5L 9-10am

5H 10-11am

5M 11-12pm

English

To know the features of instructions.

Today you are starting a new writing topic – **instructions**. You are going to start by looking at some example instructions and a list of all the important features that must be included in instructions.

Your task today is to find the features in the example instructions that I have sent home.

Year 5 Home learning

01/02/21

Foundation: Mental Health Week

Reading

To answer question based on chapter 4 of Alien Isle.

On Friday you read chapter 4 of our new book.

Today you will be answering VIPERS comprehension questions on chapter 4.

There is a 1 star option, or the 2 and 3 star questions.

Answer in full sentences in your book.

Remember to go back and look at the chapter again to help you.

This week is an important week as we highlight the need to look after our mental health. This is just as important as our physical health. We want you to choose some activities across the week and share what you do with your teachers, using the year group emails.

Try to have less screen time this week!

Look at the ideas provided and try and complete as many as you can!
