

Maths online games to consolidate

Today we will encourage you to use a range of online games and activities to support the learning from this week.

Either use the links supplied or find your own. This is also an opportunity to get some coins on your TTRS account.

Free Write Friday!

Free Write Friday is your chance to write absolutely anything! It is a chance to focus on enjoyment and creativity, rather than spelling, grammar or punctuation. You can write any genre and about any topic, and illustrate your work.

There are some writing prompts and challenges in the slides for you to look at for inspiration.

Have fun, be creative and get writing!

English

Year 5 Home learning

15/1/21

Reading

Today we are going to read chapter 2 of Alien Isle. Each teacher is doing this live on Teams with their own class at 11.00am.

5H with Miss Hardy at 11.00

5M with Mr Moody at 11.00

5L with Mr Lawson at 11.00

Foundation

Our new topic for the Spring term is Early Islamic Civilisation.

Today we would like you to draw a KWL grid in your book and complete the K and the W column. (Parents, the children are very familiar with these!)

You can use a search engine or Youtube to research the topic and create questions. Thinking about what we learnt about the Ancient Egyptians will help you to generate questions – where/when did they live, Gods/worship, leaders/kings, artefacts, society, food etc.
