

Maths- column subtraction

Today's lesson looks at the formal column subtraction method. The slides clearly explain how to apply the method with videos to support it.

There are fluency questions applying the method and reasoning problems asking you to find the missing digits. Answers are found at the end of the lesson if you wish to self mark.

English

To research and make notes for a biography

Today you are going to read the slides about how to take notes in bullet points.

You are then going to use a search engine to find out information about a chosen inspirational person. Next week, you will be writing a biography about this person.

Year 5 Home learning

19/01/21

Reading

Create two diary entries for Alice Bain's based on the answers to the given questions.

Answer the given questions and then turn each section of questions into a diary entry based across two days of Alice's life; Diary entry 1 – the day Alice first met the children and Diary entry 2 – the day Alice saved Nasim's life.

Foundation - Topic

Today's live lesson is topic "To find out about Baghdad's role in Early Islamic civilisation."

Mr Moody will be talking topic and working through a presentation about the importance of Baghdad.

Please note that the foundation lessons for this week will link back to this topic lesson.
