

## Maths

Today you will be revisiting multiples. I have decided to use a dedicated teaching video for this lesson. Please follow the video taking opportunities to pause and answer questions.

Following the video you have some questions and code breaking based on the multiples learning.

## English

To recognise and use a range of conjunctions.

Today you are going to revise the 4 main types of conjunctions:

- Adding
- Opposing
- Time
- Causal

You are then going to learn about subordinating conjunctions and complete the attached activities on this.

# Year 5 Home learning 02/02/21

## Reading

Using the given sheet, some of this chapter has been converted into a play script – with someone else, try and act out the play script, taking notice of the given stage directions and how the words are spoken.

The second half of this part of the chapter has not been converted into a play script.

Using your skills, convert it into a play script – adding those important stage directions!

## Foundation

Today's live lesson is topic "To find out about The House of Wisdom in Early Islamic civilisation."

Mr Moody will be talking topic and working through a presentation about the House of Wisdom.

Please note that the foundation lessons for this week will link back to this topic lesson.

**LIVE LESSON**

**5M 9-10am**

**5H 10-11am**

**5L 11-12pm**
