

Maths – Fraction of flags

Today we will be learning how to find the fraction of a shape with the theme of flags from around the world. Follow the slides to apply the method to simple and more complicated flags. Then apply what we have learnt to create your own flags following specific rules.

LIVE LESSON

5L 9-10am

5H 10-11am

5M 11-12pm

English and Foundation – Modern Foreign Languages Day

To celebrate MFL day, your English and Foundation lessons are combined.

Read the information about France and follow the instructions on the given slides.

You will be creating a word bank of key vocabulary and designing a poster, fact file or information page based on what you learn.

***Extra challenge for MFL day:
What else can you find out about France? Why not try planning a holiday for your family to a certain area that you could research?***

Reading

Complete the given sentences choosing a modal verb and completing the sentence from what we already know. The modal verbs required to use are given.

Write the whole sentences out into your books, underlining the bits added.

Modal verbs are...

verbs that indicate likelihood, ability, permission or obligation.

Words like: can/could, may/might, will/would, shall/should and must.
