

Maths

Today you will be looking at how to add and subtract two fractions which have the same denominator. Look at the instructions and use the video to support your understanding of the method. Then apply it to some fluency and reasoning problems.

English

To write sentences containing relative clauses.

Today we are going to write some descriptive sentences containing relative clauses.

Miss Hardy will be teaching this live on Teams at the following times:

5H 9.00am

5M 10.00am

5L 11.00am

Year 5 Home learning

21/01/21

Foundation - Topic

Reading

Can you add the given words into your own sentence?

Use the given words and their definitions to create your own sentences.

Please try and complete a sentence for each word.

Ext: Can you use more than one of the words in a sentence?

Following on from Tuesday's live lesson...

Use the given lesson slides, add facts and details to the diagram. If you cannot print the sheet off – complete it how we would in school; title Baghdad and use the four areas as sub-headings, making bullet pointed notes underneath.
