

Maths

Today we will be revisiting the column addition method. We will discuss how we can use the method to find missing numbers and apply it to questions adding 3 numbers together.

This lesson will be live with Mr Lawson for each class;

5L 9.00am

5H 10.00am

5M 11.00am

English

To plan a biography.

Today you are going to put your notes from last week about an inspirational person into a clear plan. I have put an example plan in the slides which I suggest you follow.

You might realise that you need some more research whilst you are putting a plan together!

Reading

To answer question based on chapter 3 of Alien Isle.

On Friday you read chapter 3 of our new book.

Today you will be answering VIPERS comprehension questions on chapter 3.

There is a 1 star option, or the 2 and 3 star questions.

Answer in full sentences in your book.

Remember to go back and look at the chapter again to help you.

Foundation; Art and Beliefs and Values

How do people express their faith through the arts?

Look through the given slides remembering these are all religious images – think about what they mean and maybe what they mean to you?

When completing the activity choose one of the paintings from the Picture Cards, choose a title for it and copy it.

Then answer the given questions.

1* - Sheet 4A

2/3* - Sheet 4B

Remember all these activities can be completed in your book or on plain paper – you do not need to print out these sheets.

This will take two lessons – but due to Mr M's live Science lesson completion of this will be later in the week.
