

Maths

We are looking at word problems, use the methods discussed yesterday to solve the word problems. There are 2 difficulties each with a mix of multiplication and division problems. Make sure you look at the vocabulary to ensure you are using the correct operation.

English

To write the introduction to a biography.

Today you are going to write the first paragraph of your biography about an inspirational person.

This needs to be short, clear and engaging! The most important thing in your introduction is the 5 Ws. I have included an example in the slides.

Year 5 Home learning 26/01/21

Reading

Complete the given reading activity

Answer the given questions about the story so far, some are about the chapter, but some are for the author, David MacPhail.

Remember David MacPhail, the author, is the person that wrote the story.

Foundation

Today's live lesson is Science "To find out about the size of the Earth, Sun and Moon and how far away from each other they are."

Mr Moody will be talking Science and working through a Science presentation.

Please note that the foundation lessons for this week will link back to this Science lesson.
