

Maths

Today you will be using your knowledge around converting between improper and mixed numbers. Start with a selection of questions then complete the cipher to work out the joke hidden in code.

English

To recognise and use parenthesis.

Today we are going to learn what parenthesis is and why we use it. We are going to look at some examples and write some of our own. Then, we are going to create a detailed ingredients list for our instructions.

Reading

In this chapter there is a scene where Parvie sees the Northern Lights.

Using the given image and skills learnt the previous weeks in English (poetry), write a feelings poem for how Parvie is feeling.

Foundation: Topic

The caliph has asked you to film an advert to encourage people to come to study at the House of Wisdom. What reasons will you provide to persuade people to go there?

Using the given reasons sheet, your prospectus from yesterday and the notes you made during the live lesson – have a go at filming yourself completing an advert, encouraging people to study at the House of Wisdom. Revise the idea of Who, What, Where, When, Why, How and emphasise why this might be so important that they do it.
