

when Henry VI became healthy

I'm healthy now for some reason

Richard Duke of York didn't want to give the throne back.

Wint sharing but

Richard won the war

So they went to war!!!

Arkragg

YAY

So Henry VI wife Margaret built an army and defeated King Richard.

Surprise surprise!!!

Oh no

Henry is king again

Richard son is angry*

the crown kept on swapping

Lanchester → York
York → Lanchester
Lanchester → York

* so many more battles

Henry VI killed in war	Edward IV is king	Richard III King
I'm dead now	Edward is dead*	Henry Tudor kills Richard in battle of Bosworth

* form w

START OF TUDOR REIGN

once there was two bro's, Duke of Lancaster and Duke of York, and they both wanted the throne for their kids...

We need it!!!

no we need it!!!!

So the Duke got his son Henry IV who has a grandson Henry VI...

I'm Henry VI

* this is the Lancaster line

But then Henry VI got very depressed and everyone thought he went mad.

man I am so depressed

Then Richard Duke of York became protector of the crown.

Jake's knowledge of the Battle of Bosworth
