<http://www.scottle.edu.au/ec/viewing/L155/L155/index.html>

On Fridays I would like you to use some of these online games to help support you with the topics we have covered this week.

Follow the links of find your own by google searching;

‘Maths games multiply by 10 100 1000’

‘Maths games equivalent fractions’

The following links come from the ‘Topmarks’ website which is full of exciting games and activities to improve maths, some will have seen it from playing ‘hit the button’ in class.

## Multiply and divide by 10, 100, 1000
