

Mr Parker's voice:

Hello there one and all,
Come and listen- be quick, careful not to stall.

SO, we are writing about our voice,
And hearing or even reading about mine may not have been
your first choice.

I'd like to think it's not too boring,
"Hey you, stop that snoring!"

I hope my voice sounds nice and mellow,
Where on first impressions you'd think "Gee what a lovely
fellow!"

I've been told by Mr Butler "Stop being so loud!"
What he don't realise, it's to be louder than the crowd!

My voice is rare and unique,
You won't be able to buy it in any boutique!

Sometimes, I like to sound like a different person,
But I end up sounding like Pee-Wee Herman.

Having your own voice is a thing of beauty,
Maybe one day you can sound like me and have Mrs Green
say "Why, hello there cutie!"

Be happy and proud,
But when you're here in school, only do it when you're
allowed!

To conclude on behalf of the NJS Staff,
What we all love hearing and miss most right now is hearing
your voice and your laugh.

Mr Parker.
