

# NJS Big Sing 2021

The Arts Centre Telford

- During the Spring term at NJS, our music lessons are focused on **singing**.
- This term, TACT will be providing us with **video workshops** that you can watch at home to learn the songs that we would be doing in school.
- These will be unlisted **Youtube** videos, so you will only be able to watch them with the link.
- This is the first video. It is a rehearsal for all the songs. The first workshop video for song 1 will be shared later this week...
