

A New Year

January opens
The box of the year
And brings out days
That are bright and clear.
And brings out days
That are cold and gray,
And shouts, Come see
What I brought today.

Happy, Happy New Year!
We wish you all the best,
Great work to reach your fondest goals,
And when you're done, sweet rest.
We hope for your fulfillment,
Contentment, peace and more,
A brighter, better new year than
You've ever had before.

The New Year Tree

The New Year tree so fine and tall
Stands in the centre of the hall.
Its needles are green.
Its toys are bright.

The New Year lies before you
Like a spotless tract of snow
Be careful how you tread on it
For every mark will show.

Footprints

The New Year lies before you
Like a spotless tract of snow
Be careful how you tread on it
For every mark will show.

New Year Worship

The biggest night of the year
To say goodbye to the past
And bring in the new with cheer

Surrounded by family and
Friends so dear-
Memories are made to last
Throughout our forthcoming years

At the birth of each New Year
God lights a candle for us all
To give guidance in our lives
To see his children free from fall

As the wonder of time
Finally strikes twelve
We celebrate together
New Year's first hours.

Optimism at New Year

A New Year is here once more,
With its visions of future promise.

The old ways passed by,
And a fresh start, there for the taking.

All is optimism;

Gloom is gone!

Looking forward to the innocent blossoming of
spring

Blooming into a youthful, balmy summer.

But the world does not change.

That beautiful vision of new cleanness

Comes from within;

From the hope for a better world,
And a desire to let the old ways go.

Wishes for New Year

A new year is beginning to peak through
softly beautiful and different like new falling
snow,

each day unique and shaped just for you.
Your life adding something as each day does grow.

My wish for your new year is beauty
and softness with surprises thrown in for the
delight.

Love for each day bringing happiness to you,
making your life a scene of sparkle and shining
sunlight.

Happy New Year!!

The Year

What can be said in New Year rhymes,
That's not been said a thousand times?

The new years come, the old years go,
We know we dream, we dream we know.

We rise up laughing with the light,
We lie down weeping with the night.

We hug the world until it stings,
We curse it then and sigh for wings.

We live, we love, we woo, we wed,
We wreath our brides, we sheet our dead.

We laugh, we weep, we hope, we fear,
And that's the burden of the year.
