

To create two diary entries for Alice Bain's based on the answers to the given questions below. Answer the given questions and then turn each section into a diary entry.

Look at the main characters through Alice's eyes. Use this form to plan two entries for Alice Bain's diary. Write your two entries on another piece of paper. Note: you will find some evidence in the story so far, other details you will have to make up.

### Day 1: The day Alice first meets the children

Where does she meet them?

(Remember: this takes place before the beginning of the story.)

---

---

Why does she offer the children a home?

---

---

How does she feel about the children when she first meets them?

---

---

How do the children behave?

---

---

## Day 2: The day Alice saves Nasim's life

How does Alice feel about Parvaneh now?

---

---

How does Alice feel about Nasim now?

---

---

How does she save Nasim's life?

---

---

What does Alice think about her neighbours?

---

---
