

# Fine Motor Skills: Pencil Control

Use a pencil or pen to complete the patterns in the squares.

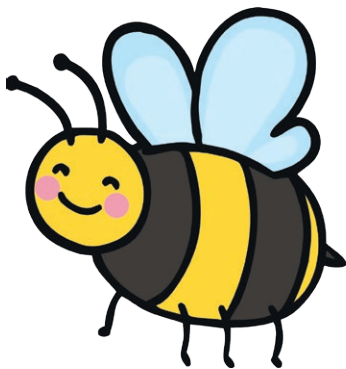

The grid contains the following patterns in the first column:

- Row 1: Three blue diagonal lines starting from the top-left corner of each square.
- Row 2: Three purple diagonal lines starting from the top-left corner of each square.
- Row 3: A blue zig-zag pattern connecting the top-left, bottom, and top-right corners of three squares.
- Row 4: Three purple dots.
- Row 5: Three green dots.
- Row 6: Six orange diagonal lines starting from the top-left corner of each square.
- Row 7: A purple triangle with a green dot at its center.
- Row 8: A blue zig-zag pattern connecting the top-left, bottom, and top-right corners of three squares.
- Row 9: Four purple diagonal lines starting from the top-left corner of each square.
