

Dear Connor,

Thank you for helping me to learn to read. I have had a lot of fun rehearsing my letters and sounds, travelling through the colourful villages and playing the fun games.

We have met some interesting friends along the way, and we've captured so many trickies.

It's been an exciting adventure so far!

I'm only a few more villages away from rescuing my spaceship from those pesky space pirates. Please can you help me get my ship back?

Thank you and enjoy your reading adventure!

Your Monster
