

## Maths

### To understand area and perimeter on a grid.

Today's Maths is Area and Perimeter.

Children will need to follow the slides given and then calculate the area and perimeter of the given shapes.

Perimeter is the outside of a shape like the boundary and Area is the space inside of the shape.

## English

### To know what an explanation text is.

Today we are starting a new unit in English, based on Wallace and Gromit and their inventions! The genre of writing is **explanation texts**. Today you are going to look at some examples and learn what the main features of them are.

# Year 5 Home learning 22/2/21

## Reading

Today's live lesson is reading – we're going to look at the new guided reading book called "Ghost Tower" looking at the blurb, front cover etc.

We will then be reading chapter 1.

This week's reading activities follow on from the reading.

### Live Lesson

5H – 11am

5L – 11am

5M – 11am

## Foundation; Topic: Art

### To find out how Islamic art helps Muslims to worship.

Design your own piece of Islamic art using the ideas of calligraphy and arabesque patterns. You can also use a lot of leaf and flower imagery to reflect creation.

Follow the given slides for the lesson.
