## Foundation

To make a condolence card for the family of Captain Sir Tom Moore

Some children will know what a condolence card is, however

some may not so...

*"A condolence card is a greeting card bearing a message of condolence, sent usually to relatives of a recently deceased person. A greeting card sent to family members of one who has died to express regret.*

*Condolence is an expression of sympathy, especially on the occasion of the death of a person's relative or close friend."*

We would like you to make a detailed, highly presented, caring, loving condolence card for the family of Captain Sir Tom Moore.

We have included a "flowery" card instruction for this, but you do not have to complete your card this way.

This card making lesson is a double lesson and we would like the children's best efforts! We would like all finished cards to be placed into our drop box at school (located by the office gate) by Thursday at 4pm so we can send the cards to his family over half term.
