For children and adults passionate about the natural world, watching a clip like this will undoubtedly stir their emotions. Make a list of emotive adjectives that describe your feelings, having learnt that these sharks are now critically endangered in some parts of the world.

Starter

- [Shark scene](#)

Catch it

- Re-watch the clip.
- Focus on the rugby scene towards the end of the film
- Plan and prepare a sports commentary of this scene – this could be written or could be prepared and videoed.
