# Book Review

Rather than a normal book review, we want you to create an art journal type book review.

Look at the example of the next slide and make your book review very creative, interesting and colourful!

The review needs to be for Into the Forest by Anthony Browne – it can be a double page spread!

Herbert Lemon takes his job as Lost-and-Founder of the Grand Nautilus Hotel very seriously. So when a strange young girl climbs through his window and claims to be lost, he feels compelled to help her, even if he's not sure he should trust her.

Little do they know, they are about to be dragged into the famous legend of the Malamander, a terrifying sea monster thought to roam the Coast of Eerie-on-Sea.

Will the unlikely friends get to the bottom of what really happened and continues to happen in the seaside town?

Or will the Malamander prove to be too dangerous?
