HEAD TEACHER AWARDS

Friday 28th May – Thursday 10th June

Well done to all the following children for their achievements this week.

Class	Who	What was this achievement for?
3B	Oliver	for showing great courage and trying really hard to overcome his fears during the Swimming lesson. Super effort – well done!
	Brooke	For setting an excellent example to classmates, working really hard, being an excellent helper and general, all round good egg! Well done!
3W	Brooke	Brooke has made a real improvement this week with her presentation. Before, sheets would be stuck everywhere, there would be crossing out and overall her presentation would be a bit scruffy. However, Brooke is really starting to turn this around. She is making better choices when laying out her book and is taking more pride. Keep it up Brooke, I like the changes I am seeing!
	Emir	Emir has always struggled with writing and often didn't get a lot of work done despite having lots of different prompts. This half term Emir seems to really be buckling down. He is writing more independently and is writing with more speed. His handwriting and letter formations are also improving! Emir is becoming far more organised and this is showing within his work. Well done Emir for getting more work done. I am very proud of you – keep it up!
3P	Ethan	Ethan has been chosen for his excellent knowledge on capacity. Wow Ethan! What a brilliant first week back and you've been working your socks off! Well done for consistently using the correctly units of measurement and using all of the correct vocabulary too. Top work, good lad.
	Sam & Ewan	Mr P was so delighted with all of your hard work this week in English boys, you both deserved a joint award. The boys have worked together this week on our new topic- Newspapers. They have been the 'Dream team' and have created posters identifying the features of newspapers and made a cracking poster from it too. Well done boys!
4J	Lucas	What a superstar he is! Since returning to school, Lucas has impressed me on a daily basis. This week he produced the most beautiful handwriting in his English. He should be very proud of himself.
	Lucy	Lucy has been a star this week with her English. She loved listening to our focus book and remembered so many facts about Frank Lampard the author. She was proud of her work and what she has produced! Well done Lucy
4K	Casey	consistently works hard and produces quality work. Always a fabulous role model and a pleasure to teach.
	Sienna	Working hard at home and school. Sienna has made so much progress and her confidence is really growing. She is making sure she has a go and has begun joining her writing to improve her presentation.
4NJ	Ella	for working incredibly hard all of the time. Ella has produced some excellent homework and she has created an excellent fact-file poster based on the Amazon river which I have popped up on my display. She has also been reading lots at home. Keep up the fantastic work.
	Morgan	for being resilient and courageous. This week he has tried really hard with all of his work in class. This morning he was very worried about swimming and he has told me that he is feeling much more confident now to give it a go and try. So well done Morgan for being a super star.
