

# HOMEWORK

due in Thursday 30<sup>th</sup> September

- 1) Read at least 3 times and ask an adult to sign your reading diary to confirm.
- 2) Learn your spellings. Complete **detailed sentences and definitions** in your homework book.

To support with understanding definitions for spellings, the ‘**Collins children’s cobuild dictionary**’ is a very useful tool.

Due to the changes in the Literacy curriculum children in Year 6 are expected to be secure with all KS2 spellings. There will be no choice of spellings, in terms of degree of difficulty. All children, of all abilities, need to learn the following for next week:

**caught      centre**  
**century     heart**  
**busy        continue**  
**decide     minute**  
**difficult    consider**

*Note: please encourage your child to present work in their homework book to a high standard.*
