

Year 5 Homework: Autumn 2nd Half Term
Issued on Friday 5th November, Due in: Friday 10th December 2021

Maths	
<p>Throughout this half term, the year 5 maths curriculum is focussed upon multiplication and division – written methods, Statistics and Area and Perimeter, which will all be covered in maths lessons at school. However, we are fully aware that Fractions are fast approaching in the Spring term and the children have not been present in school for the past two years when fractions have been covered. Therefore, as a Year 5 team we think that focussing on Fractions for maths homework will be more beneficial for the children. Below there are a wide range of topics which you could look at further, such as;</p> <ul style="list-style-type: none"> • Finding equivalent fractions • Ordering and sequencing fractions • Adding and subtracting fractions with the same and different denominators • Converting between improper and mixed fractions • Multiplying fractions • Fractions of amounts <p>Try using these sites to enhance and develop your learning:</p> <ul style="list-style-type: none"> - https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals - https://www.mathplayground.com/index_fractions.html - https://www.splashlearn.com/fraction-games - https://www.coolmath4kids.com/math-help/fractions/adding-and-subtracting-fractions-different-denominators - https://www.education.com/games/fractions/ <p>While children extend their knowledge around fractions through maths lessons and their own personal research, they may wish to create yourself a 'fraction formula grab sheet'. This is where they can create themselves helpful reminders on how to master the many methods we use to tackle fractions. We are also open to any other suggestions that you think are appropriate. We want the children to take ownership over their homework and complete it in a way of their choosing. If you are unsure about anything and would like any more information about this, please contact your child's class teacher.</p>	
Spellings; Spelling tests will only happen at the end of each half term!	
<p>attached available average awkward bargain bruise category cemetery develop (All taken from Yr5 Key Spelling Document) <i>If your child is part of the phonics programme in school, they will be given an alternative list to practise.</i></p>	
<p>You could:</p> <ul style="list-style-type: none"> • Ask the children to record definitions of the words or write the words within sentences. • Ask the children to colour code the sounds within the words. • Ask the children to create a wordsearch containing all of the words. • ABC Order: Write all of your spelling words in alphabetical (ABC) order. • Word Parts: Write your words. Then use a coloured pencil to divide the words into syllables. e.g. jump ing cat er pill ar • Other Handed: Write each word 5 times, switching the hand you write it with each time. Say the word as you spell it. • Vowel Spotlight: Write your words using one colour for the vowels and another colour for the consonants (vowels: a, e, i, o, u) • Use Technology: Type out your spelling words on the computer. Try to use at least 4 different fonts. <p>ALSO in the children's homework book is a "Spelling Menu" with a range of different activities suited to any spelling.</p>	
Reading	Other Additional
<p>Read at home at least three times a week. Record this reading in your Reading Diary. Consider trying a range of genres e.g. comics, newspapers, biographies, narrative etc. Your reading diary will be marked weekly, so please keep this up to date!</p>	<p>This TERM we would like the children to complete some of the activities given relating to the Ancient Egyptians. On the given activity sheet there are a number of activities which relate to Literacy, numeracy, Art, DT etc. which are fabulous ideas, that unfortunately, we will not have time to complete in school!</p>
PE/Swimming	
<p>Please remember that this half term we are all swimming on Mondays. PE kits will need to be in school all week.</p>	<p>THESE ACTIVITIES ARE FOR THE TERM AND WE WILL BE THRILLED TO SEE THEM ONCE EACH ONE HAS BEEN COMPLETED!</p>
