

English

In the summer, children will be focusing on 'The Fossil Girl' to link with science. They will discover the life of Mary Anning and will look at playscripts and diary entries. We will also be looking at stories from other cultures. The children will focus on adding descriptive language and speech to stories.

Maths

Children will develop skills in time, measurement, area and perimeter.

Children will develop skills in reasoning and problem solving.

Science

- Rocks and Soils!
- Pollution

Computing

- The children will be looking at word processing! This will include learning how to use different features in Microsoft Word.

History

Our summer topic is local history. We will complete a couple of lessons on the history of Newport or Telford and will link these to our Geography lessons.

PSHE

In PSHE the children will be continuing with 'Jigsaw'. The first half term will focus on relationships. Following this, the children will follow the new 'Respect Yourself' framework. Please see the website for more details.

Beliefs and Values

- Hinduism

PE

Dance—Children will be looking at performing with props to create a performance.

Athletics—We will use this time to prepare for the sports day in the summer!

Rounders—We will focus on throwing a catching skills whilst learning the rules of rounders!

We will also be celebrating the Commonwealth Games.

Art

- Plant Art
- Platinum Jubilee Art.
- Art Appreciation.

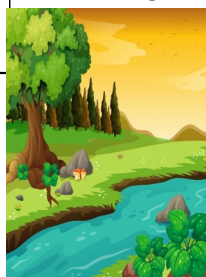

Term: Summer 2022 Year 4

RIVERS!

Topic Overview-

Children will be looking in depth at a topic called 'River Deep'. This will include an in-depth study of rivers across the world and within the United Kingdom. The children will

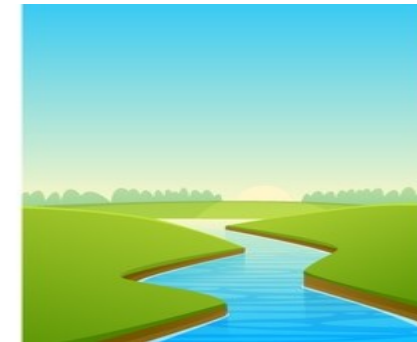

look at how rivers form and will focus on trying to use the correct vocabulary with any explanations. We will also look at river pollution within our science lessons.

Global Links

- ◆ Global Warming
- ◆ One World— How our lives can change and be different.
- ◆ Carrying out a river study locally.

Geography

This summer we will be looking at a 'Rivers' topic! We will be covering how rivers are formed and where they can be

Music

- The children will be looking at a unit called 'Descriptive Music—The Planet's suite'. Alongside this, we will continue to develop the use of vocabulary in music.

MFL- French

- Feeling unwell and Jungle Animals.
- Summer time including the weather!

Design and Technology

We will be completing a unit called 'Greenhouse Constructions'. This will link really well to our pollution and environmental lessons in science!
