

Maths

- Decimals and Percentages (%) with a fraction link.
- Geometry - angles and shape.
- Measurement - converting units.
- Statistics.
- Test skills.

Reading

- Non-fiction: The Wonder Garden
- Fiction: The Jamie Drake Equation

Geography Britain's Changing Landscape

- Using atlases to locate places within the UK.
- Mapping locations and places using symbols and compass directions.
- Using grid references to find a particular location.
- Plotting a map of a given location in the local area.
- Creating a land use map using accurate OS symbols.
- Studying how the UK's land use has evolved over time.
- Coastal change over time across the UK.

Beliefs & Values

We will be studying Islam

Science

- Living things and their habitats. (Also making links to RSE.)

Other

As well as these subject topics, we will be celebrating the Queen's diamond jubilee and looking forward to the Commonwealth Games (held here in the West Midlands).

We hope to arrange a day trip linking to our art and geography units - more details to follow...

Global Links

- Courageous Advocates
- Diversity
- Aspirations for the future
- Other cultures
- The Commonwealth

Computing

- E-safety awareness.
- Programming
- Databases

Term: Summer
Year: 5

History: Railways

- The history of trains in Britain
- The evolution of the railway network
- George Stephenson
- Steam locomotion

English

- Non-chronological reports about Commonwealth countries
- Persuasive writing linked to the Queen's jubilee
- Sports commentary linked to the Commonwealth Games / NJS Sports Day
- Written discussion of royal celebrations

D & T

Designing modern bird tables and feeders.

Wellbeing

- Daily mindfulness
- Daily prayer and reflection time
- Mental Health Week
- Transition

Music

- World Music (Latin)

MFL - French

- Out of this World
- Going to the Seaside
