Our guest speakers this morning were just fantastic!

Barry Wilson and Paul Shuttleworth

Barry Wilson captivated the children with information about his life working with helicopters at RAF Shawbury.

As part of the Helicopter Crew, working as a Winchman and now a Helicopter Instructor, he was able to share with the children all about what it is like to learn to fly and train others to fly. He talked about his life in the RAF and shared an exciting video with the children in the hall.

A truly inspirational talk!

Paul Shuttleworth is a broadcaster, journalist and sports commentator - familiar to listeners of Radio Shropshire. He entertained the children with information about his career and answered their questions, inspiring possibly our children to consider working in the media in the future! He made us all laugh with his tale of riding Popeye the horse and how led to his first job in advertising!

Another inspirational visitor to NJS.

Paul Shuttleworth

- BBC Community Journalist
- Presenter BBC Radio Shropshire
- Ice hockey commentator – Telford Tigers

He will be talking about the BBC Young Reporter competition:
<https://www.bbc.co.uk/teach/young-reporter/competition/zghcydm>
This is for ages 11-18 but will inspire our Y3-5 as something they can do in the future.

He will be talking to the whole school about life working in the media and journalism.

He is a sports reporter and commentator, mainly ice hockey.

He has his own radio show on BBC Radio Shropshire at the weekends. He specialises in local and community news stories.

What questions could you ask Paul Shuttleworth about journalism, media, radio presenting, or sports commentating?
